

DEADLINE : 24 July 2026

TYPE OF CONTRACT/DURATION : Employment CONTRACT

NO OF REQUIRED EXPERTS : 1

SALARY: AS PREMIERE URGENCE INTERNATIONALE (PUI) SYRIA MISSION SALARY SCALE

BASED: DER ELZOUR

ABOUT PUI IN SYRIA

The current operational strategy for Premiere Urgence Internationale (PUI) in Syria is to alleviate the human suffering of the Syrian people in Syria by delivering sound, needs-based humanitarian assistance, while promoting a life-sustaining response. PUI's positioning on, shelter, education, livelihoods, and WaSH sectors remain a priority.

Based on ten years of experience conducting humanitarian operations in Syria, supporting Iraqi refugees and lately Syrians affected by the crisis, PUI has played an important role in responding to the needs of the population within nine governorates (Aleppo, Damascus, Rural Damascus, Homs, Hama, Tartous, Latakia & Deraa) and through the following interventions:

- Rehabilitation of collective and private shelters,
- Rehabilitation of infrastructure
- Emergency and Early Recovery WASH interventions
- Education support for conflict-affected populations (remedial classes, school rehabilitation, free exam preparations, summer class activities, community based initiatives and psycho social support),
- Enhancement of the Population of Syria self-reliance through livelihoods (vocational training course, provision of a professional tool kit ((PTK)).

GENERAL OBJECTIVE

In the geographical area under his/her responsibility, the I&H Team Leader will support the Head of Base / Field Coordinator / Program Manager in planning, management and implementation and monitoring of all I&H projects in the areas of intervention.

RESPONSIBILITIES AND TASKS

1- Ensure the implementation and the monitoring of all I&H projects (shelter, WASH, school rehabilitation, public facilities..etc.,) in his field of intervention:

- S/He manages the assessment and execution works in the assigned I&H different activities locations, in accordance with the Bill of Quantities (B.o.Q), needed tender documents, specifications & drawings, in fully coordination with the project manager.
- S/He manages the handing over process of executed projects with the related official entities and obtains the official signed reception documents.
- S/He assures the close follow-up on the ongoing implementation by all daily reports s/he receives from the I&H technical assistants and arranges for biweekly meetings with the responsible contractors in the site in addition to sending official letters /emails to the contractors when needed in fully coordination with the Head of Base / Field Coordinator / Program Manager.
- S/He monitors closely the implementation of activities at field level by collecting daily reports from the I&H technical assistants with paying site visits -three times/week at least- in coordination with the Head of Base / Field Coordinator / Program Manager.

- S/He supervises the work/tasks schedule of the I&H technical assistants, organizes the team's work on a weekly basis in coordination with the Head of Base / Field Coordinator / Program Manager.
- S/He provides the I&H technical assistants with technical support when needed.
- S/He ensures the timely implementation of the project in coordination with the Head of Base / Field Coordinator / Program Manager.
- S/He shares about the work progress by well-organized reports with the Head of Base / Field Coordinator / Program Manager on a weekly basis and when needed on a Daily basis.
- S/he alerts his/her line manager in the event that delays in project implementation are identified and suggests adjustments (in terms of activities, area of intervention, budget, implementation timeframe, etc.)
- S/He ensures proper coordination and communication with the different stakeholders (local authorities, Municipalities, sub-sector offices ...) in fully coordination with the Head of Base / Field Coordinator / Program Manager.
- S/He ensures that all project documents are correctly filed and archived in addition to collecting and organizing the projects photos, to be submitted to the project manager when needed.

2- Manage operational Staff.

- S/He ensures the administrative HR management of his/her team) in coordination with the project manager & Senior Base Manager/Field Co.
- S/He ensures that her/his team complies with PUI internal rules (disciplinary management when needed).
- S/He ensures a regular appraisal process for her/his team in coordination with the Program Manager S/he ensures constant monitoring of her/his team (general and technical).
- S/He ensures a good communication, coordination, and information level within the team through regular coordination meetings (or other if needed).
- S/He visits PUI office in regular basis and upon the request of the Head of Base / Field Coordinator / Program Manager to ensure the close coordination and follow up of the projects and discuss all the issues facing the ongoing activities.

3- Manage operational Staff and HR follow up:

- S/He ensures the administrative HR management of his/her team) in coordination with the Head of Base / Field Coordinator / Program Manager.
- S/He ensures that her/his team complies with PUI internal rules (disciplinary management when needed).
- S/He ensures a regular appraisal process for her/his team in coordination with the Head of Base / Field Coordinator / Program Manager S/he ensures a constant monitoring of her/his team (general and technical).
- S/He ensures a good communication, coordination, and information level within the team through regular coordination meetings (or other if needed).
- S/He participates in defining all Infrastructure and Habitat -related positions for the I&H team in his/her base according to the needs and in coordination with the Head of Base / Field Coordinator / Program Manager.
- S/He supports the Infrastructure and Habitat team in the recruitment process, (elaboration of tests, interviews).
- In coordination with the Head of Base / Field Coordinator / Program Manager and the HR Department, s/he clearly defines the training needs of Infrastructure and Habitat team and ensures they are able to access training and professional development resources appropriate to their skill gaps/needs.
