Introduction about MSF:

Médecins Sans Frontières (MSF) / أطباء بل حدود is an international, independent, medical humanitarian organization that delivers emergency aid to people in 70 countries who are affected by armed conflict, epidemics, natural disasters and exclusion from healthcare. MSF offers assistance to people based on need, irrespective of race, religion, gender or political affiliation and our actions are guided by medical ethics and the principles of neutrality and impartiality.

We offer basic healthcare, perform surgery, fight epidemics, rehabilitate and run hospitals and clinics, carry out vaccination campaigns, operate nutrition centers, and provide mental healthcare. Our activities include the treatment of injuries and disease, maternal care and the provision of humanitarian aid. Where necessary, we set up sanitation systems, supply safe drinking water, and distribute relief to assist survival.

Main Objective of the position:

To provide an accurate, timely, and qualitative dispensing service of drugs according to medical prescriptions and MSF protocols, standards and procedures in order to improve the patient's health conditions.

Accountabilities:

- Dispensing medication to patients according to medical prescription, ensuring the medication is labeled with the correct drug name, strength, quantity, expiry date, directions for use and additional required information and providing clear instructions and advice on how to take the drug, when, how long, how to store, possible side-effects and any other relevant warnings. Making sure the patient understands to ensure correct treatment.
- Adhering to MSF practice policies and procedures for dispensing medicines, particularly those relating to controlled drugs and ensuring respect of confidentiality in dispensing
- Placing accurate and timely orders with the central stock, maintaining minimum stock levels of medicines, checking expiry dates and storage conditions and ensuring no medicines or materials are taken out of the dispensary without authorization

- Maintaining accurate dispensing records and regularly reporting them to his/her technical reference. Ensuring returned and out-of-date medication is safely removed to a well designated quarantine zone for unwanted pharmaceuticals, separated from the normal stock
- Organizing and keeping the dispensing area clean, ensuring cleanliness and care in handling medicines to avoid contamination and mix-up. Maintaining dispensary equipment, ensuring it is clean, accurate and in a good state of repair.
- Maintaining the integrity and security of the dispensary by admitting only authorized personnel and ensuring that all medicines are stored as appropriate. Reporting immediately to technical reference on any problem arising in the service (especially loss, robbery, quality problems with medicines (abnormal changes in color, consistency, and odour) damage of medical equipment or medicines).
- Carrying out Patient Therapeutic Education (PTE) and interacting with patients using a patient-based approach to accompany chronic disease (HIV, TB, etc.) patients along their visits. Receiving patients, informing about treatment and adherence, giving appointment for the next drug delivery. Informing the medical doctor in case of lack of adherence and identifying the reasons and finding solutions to improve adherence.
- Understanding, recording and informing on any complaint received from patients related to medicine use or side effects

MSF Section/Context Specific Accountabilities
