○ **Ethical Conduct at International Medical Corps:**

As part of a global, humanitarian team dedicated to saving lives, easing suffering, and building self-reliance, International Medical Corps staff are responsible for adhering to our *Code of Conduct and Ethics* and for knowing and abiding by International Medical Corps policies and standards. All staff play a vital role in preventing violations of our *Code of Conduct and Ethics*, including conflicts of interest, fraud, corruption, and any kind of exploitation or abuse. International Medical Corps is also committed to providing a safe and healthy work environment free of harassment, bullying, and other misconduct, enabling staff to build and maintain professional, respectful working relationships.

International Medical Corps prioritizes safeguarding the populations with whom we work from exploitation, neglect, or abuse of children and adults at risk, and/or any form of trafficking in persons. International Medical Corps is committed to engaging members of crisis-affected communities to participate in meaningful ways in a crisis response, including making informed decisions about the assistance they receive, mitigating potential risks, and holding us accountable for the commitments we make. All staff are expected to support International Medical Corps' culture of accountability toward our stakeholders, particularly the crisis-affected communities and individuals we serve.

As part of International Medical Corps' commitment to a speak-up culture and as one of the primary ways we collectively hold ourselves accountable for complying with the ethical principles and standards of conduct outlined in the *Code of Conduct and Ethics*, all staff are required to report suspected or actual misconduct or violations of organizational policies. Our *Code of Conduct and Ethics* and *Whistleblower Policy* prohibit any form of retaliation against whistleblowers or individuals who report a concern in good faith. Staff who violate these protections may be subject to disciplinary action, up to and including termination of employment or contractual relationship with International Medical Corps.

○ **About us:**

Humanitarian, nonprofit organization dedicated to saving lives and relieving suffering through health care training and relief and development programs.
