Introduction about MSF:

Médecins Sans Frontières (MSF) / أطباء بلا حدود is an international, independent, medical humanitarian organization that delivers emergency aid to people in 70 countries who are affected by armed conflict, epidemics, natural disasters and exclusion from healthcare. MSF offers assistance to people based on need, irrespective of race, religion, gender or political affiliation and our actions are guided by medical ethics and the principles of neutrality and impartiality.

We offer basic healthcare, perform surgery, fight epidemics, rehabilitate and run hospitals and clinics, carry out vaccination campaigns, operate nutrition centers, and provide mental healthcare. Our activities include the treatment of injuries and disease, maternal care and the provision of humanitarian aid. Where necessary, we set up sanitation systems, supply safe drinking water, and distribute relief to assist survival.
