

Computer Skills, Basic Camera and AI Tools Trainer Consultant - Raqqa - Syria

Blumont is a global organization working with communities in transition as they recover from conflict, return from displacement, and move from a reliance on aid to a more resilient future. Our vision is a world where a community's future is not determined by its circumstances, but by the aspirations of its people. Whether delivering lifesaving humanitarian assistance, building the infrastructure that stabilizes communities, or creating economic opportunities for individuals and businesses, Blumont teams are committed to making a positive difference in peoples' lives.

POSITION SUMMARY: Blumont seeks to engage a qualified Computer Skills, Basic Camera and AI Tools Trainer Consultant to provide practical training for 36 youth participants or more under the Tawsi'a Digital Learning and Study Zone initiative. The consultant will equip participants with practical skills in computer use, Microsoft Office applications, internet use, responsible use of artificial intelligence tools, photography, and basic video editing while promoting teamwork, peer learning, digital literacy, and social cohesion among participants from different backgrounds

Supervisory level: Social Cohesion Officer

KEY AREAS OF ACCOUNTABILITY

The consultant shall:

- Develop a detailed training curriculum, session plans, and training materials.
- Conduct baseline and endline assessments.
- Deliver practical training on computer basics, file management, internet use, email, Microsoft Word, Excel, and PowerPoint.
- Deliver practical training on responsible use of AI tools, including prompt writing and ethical use of artificial intelligence applications.
- Deliver practical training on basic camera operation, photography, media file management, and basic video editing.

- Train 36 youth participants or more divided into three groups of 12 participants each.
- Deliver a total of 72 training sessions, equivalent to 14 sessions per group.
- Supervise practical assignments and final participant projects.
- Monitor attendance and participant progress throughout implementation.
- Ensure compliance with safeguarding, privacy, data protection, and responsible use of digital tools.
- Submit attendance sheets, assessment results, and final training reports

LEVEL OF EFFORT (LOE): 39 Training Days + 4 Preparation/Reporting Days = 43 Days

Commitment:

Every Blumont team member is expected to carry out their duties in accordance with Blumont's

code of business ethics and conduct, core values, and all relevant policies, including anti-harassment, child protection, and Protection from Sexual Exploitation and Abuse policies.

How to Apply
